**Channel Sales Manager (Strategic Partnerships & Global Alliances),
TeleCMI Communications Private Limited, India, Bangalore**

August 2025 - Now

Driving channel partner growth and revenue by building, managing, and enabling a strong partner network. Responsible for developing go-to-market strategies, onboarding and training partners, and driving consistent sales performance. Collaborate with marketing, product, and customer success teams to launch campaigns, generate leads, and maximize partner ROI. Skilled in negotiation, partner engagement, and achieving aggressive revenue targets.

- Building and managing a strong network of channel partners, resellers, and distributors to expand Telecmi’s market presence.
- Developing and executing go-to-market strategies that consistently drove partner-led revenue growth.
- Negotiated partnership agreements, set sales targets, and monitored performance to exceed quarterly business goals.
- Conducted product training, sales workshops, and demos to enable partners and improve conversion rates.
- Collaborated with marketing and product teams to launch joint campaigns and generate high-quality leads.
- Analyzed sales performance data to identify new opportunities and optimize partner ROI.
- Achieved and surpassed monthly revenue targets through strategic partner engagement and relationship management.

Channel Sales Manager, Asianet Satellite Communications Private Limited, India, Hyderabad

February 2025 - August 2025

As a Channel Sales Manager at Asianet Satellite Communications Private Limited in India, I was responsible for Onboarding Partners in Telangana & Andhra Pradesh and generating Leads, developing and managing relationships with our channel partners to drive sales and revenue growth. I utilized my strong communication skills and industry knowledge to identify new business opportunities and negotiate favorable terms with potential partners. With a proven track record of meeting and exceeding sales targets, I consistently drove success for the company in the highly competitive telecommunications market.

- Developed and managed relationships with channel partners
- Identified new business opportunities
- Negotiated favorable terms with potential partners
- Exceeded sales targets consistently
